TCCC has much to offer for the shooting sports enthusiast. When participating in our matches or events, its hands-on first person learning and discussion, about not just guns, but technique, too. TCCC supports pistol shooting, PCC, shotgun, rifle - providing opportunity to learn about other firearms you otherwise wouldn't have an opportunity to see. Whether it is sharing skills, or learning skills, it is being shared with like-minded enthusiastic people – and it does not matter if someone is just starting out or is advanced in training. There is opportunity for all skill levels – consider it the fellowship of the second amendment! TCCC is a members only gun club. We offer much for very little; membership dues are put right to work as we daily work on improvements. We have many hard-working volunteers who earnestly seek the advancement of TCCC in the endeavor of making it a premier facility in the state, whether it is mowing the lawn, taking care of trash, building, painting, or repairing targets and stands, haul or place blocks, gate maintenance, lights and electrical expertise, lending invaluable machinery equipment, and plethora of other things!... To our volunteers want to express our deepest thanks to (in no particular order)... Kim Chapel, Jeff Reno, AJ Blazeovic, Paul Kesler, Troy Oliver, Brad Rainey, Ron Champagne, John Hardaker, Lynne Schriber, Brian Schriber, Dave Boegner, Kevin Hollosy, Mike Green, Irwin Green, Mike Reece, Robert Terbush, Sue Price, John Piche, and *undoubtedly someone is not listed but we THANK YOU and appreciate all of you. TCCC would not be the great gun range facility it is.*

**Shotgun Sports: 5-Stand starts Thurs., Sept 2<sup>nd</sup>** and will run on Thursday's for six weeks. Five Stand is a type of shotgun sport shooting similar to sporting clays, trap and skeet. There are five stations, or stands and six to eighteen strategically placed clay target throwers. Shooters shoot in turn at various combinations of clay birds. Skeet and Trap will also be open – we will have shells for sale (for rounds shot at TCCC only). For those who may not know, the Skeet field has voice-activated throwers and the Trap Field has easy to use Canterbury Voice Controllers. Come join us on Thursday evenings 530p to 8p or Sunday's 1p to 4p.

**USPSA:** USPSA match Saturday, Aug 28 and Sept 25. They are PCC matches and all divisions are welcome - all paper [classic IPSC] and static steel targets. You do not need to be a USPSA member to participate! It is good general practice too.

**3-Gun:** Saturday – Sept 11 – Shotgun and PCC Bonanza! Three shotgun divisions: Pump, Practical and Open. Two PCC Divisions – Full size/Open and Sub Gun.

**CPL:** Classes are held every month at TCCC - Next Class Sat., Sept 4. Sign up on our website. Questions contact the instructor. Have a private group interested in a class? Choose your date, class size minimum is 6.

**Reminder to the Membership when there is a scheduled match or event** – Bays that remain open for general membership use are Bays 3, 4, 9 and 10. Check the website calendar to know when there are scheduled events, because we have groups that use the facility for tactical trainings, besides matches. These events should be on the calendar so the general membership knows to seek out Bays 3, 4, 9 or 10. Please always ask if you aren't sure via messenger on Facebook or Contact Us on the website, or our email [1060gunclubrd@gmail.com](mailto:1060gunclubrd@gmail.com)
